

The background of the slide is a screenshot from the game Hollow Knight. It shows the character Knight, a small white figure with a red skirt, standing on a mossy ground in a dark, cavernous environment. To the right of the Knight is a large, ornate, golden structure resembling a nest or a piece of ancient machinery. The scene is dimly lit with greenish-yellow light filtering through the background. In the top left corner, there is a faint overlay of the game's user interface, including a health bar with six heart icons (one is crossed out) and a long, thin bar representing the Knight's magic or soul level.

INTRODUCTION TO GAMES

Game Design & Prototyping 01 - Exercise

FOCUS OF THE EXERCISE

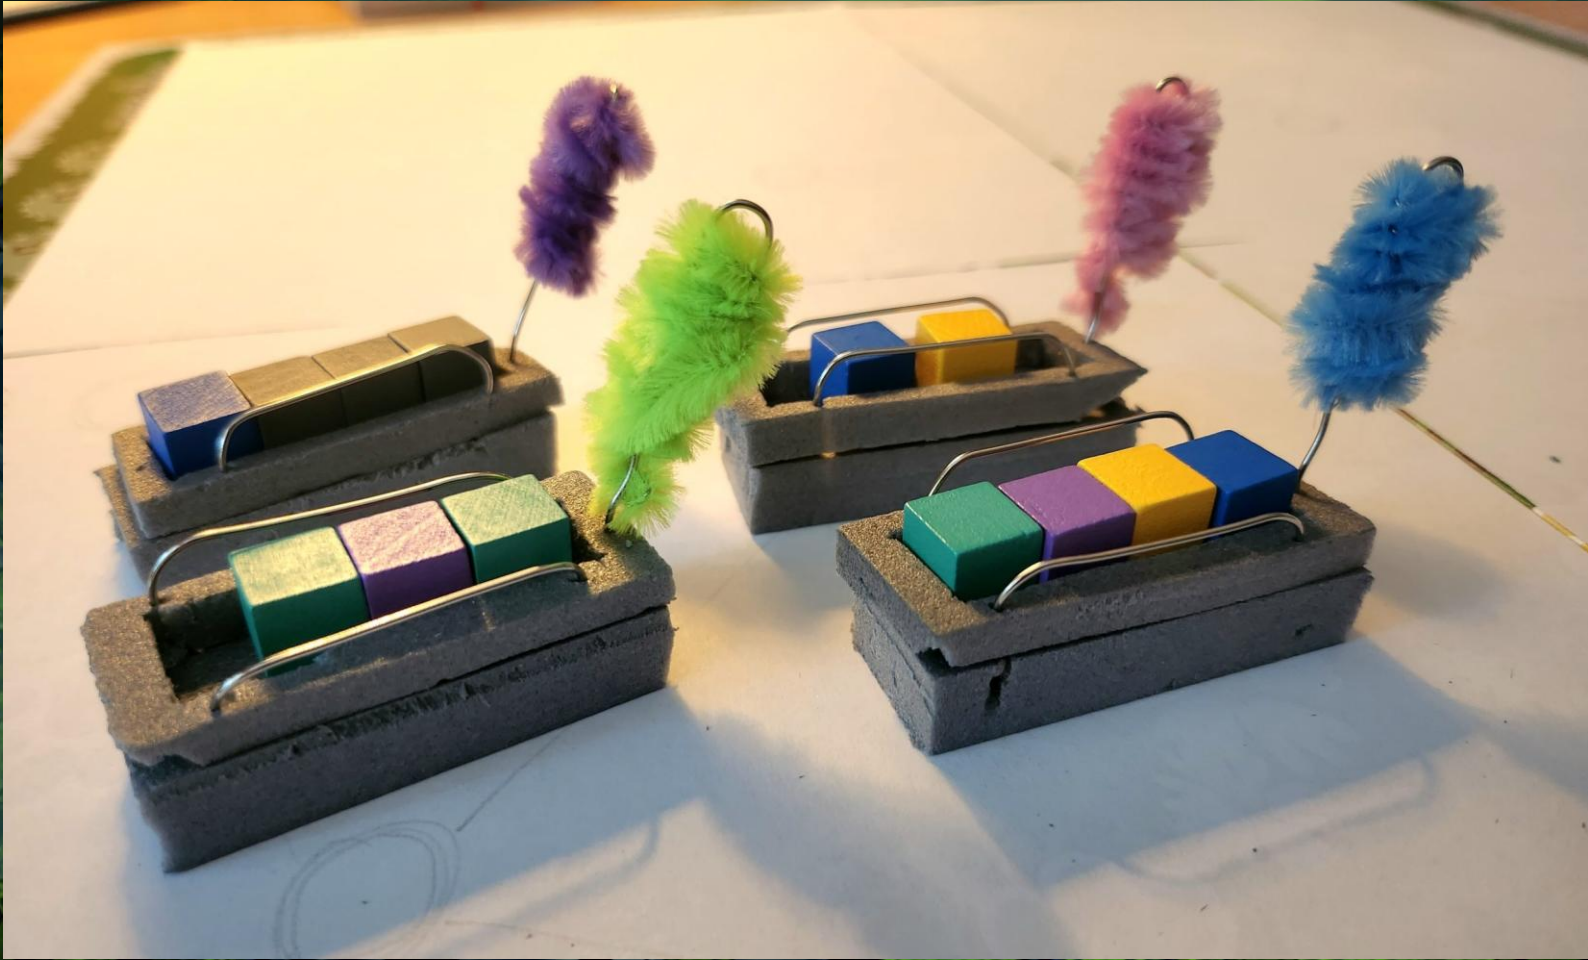

ANALOGUE - USEFUL???

The image is a screenshot from the video game Hollow Knight. In the top left corner, there is a semi-transparent overlay showing the game's UI: a health bar with a cross icon, a magic bar with three heart icons, and a stamina bar with a double-headed arrow icon. The main scene depicts the character Hollow Knight, a small white insect-like figure with a red skirt, standing on a mossy ground. The knight is looking towards a large, ornate, and somewhat menacing structure made of dark, swirling patterns, which appears to be a boss or a significant landmark. The environment is a dark, lush cave with various plants, mushrooms, and stalactites hanging from the ceiling. The lighting is dim, with some greenish-yellow light filtering through the background.

ASSIGNMENT?

CREATE AN ANALOGUE PROTOTYPE...

The background of the slide is a screenshot from the video game Hollow Knight. It shows the character Knight, a small white insect-like figure with a red skirt, standing on a mossy ground in a dark, cavernous environment. To the right of the Knight is a large, ornate, golden-colored structure that resembles a nest or a piece of ancient machinery, covered in intricate patterns. The scene is dimly lit with greenish-yellow light filtering through the background. In the top left corner, there is a semi-transparent overlay of the game's user interface, including a health bar with five heart icons (one is crossed out) and a magic bar with three mana icons.

The background is a screenshot from the game Hollow Knight. It shows a character with a white skull and a red dress standing on a mossy ledge in a dark, green-filled cave. The character is looking at a large, ornate, golden-colored structure that resembles a nest or a piece of ancient machinery. The scene is dimly lit with green light filtering through the background. In the top left corner, there are faint UI elements: a health bar with a cross icon and a magic bar with a cross icon.

...WITH THE FOLLOWING TOPIC...

Run

Hell

Like

CHALLENGE 1: RUN LIKE HELL!

- Team assignment
- Game for 2 to 4 players (coop/comp)
- Theme definition (setting, backstory, etc.)
- Game components (characters, obstacles, etc.)
- Mechanics
- Game type: board game, card-based,
.....combinations of analogue components

CHALLENGE 1: PROCEDURE

- 1. Basics
- Player goals
- Player motives
- Relation of players (coop, comp)
- Obstacles

CHALLENGE 1: PROCEDURE

- 2. Game mechanics
- Start simple
- Sketch out: Player path (start to finish)
- Player path: sections

CHALLENGE 1: PROCEDURE

- 3. Interaction design
- Player movement (dice, cards, action points,...)
- Next step: make movement more interesting (accelerate, decelerate)

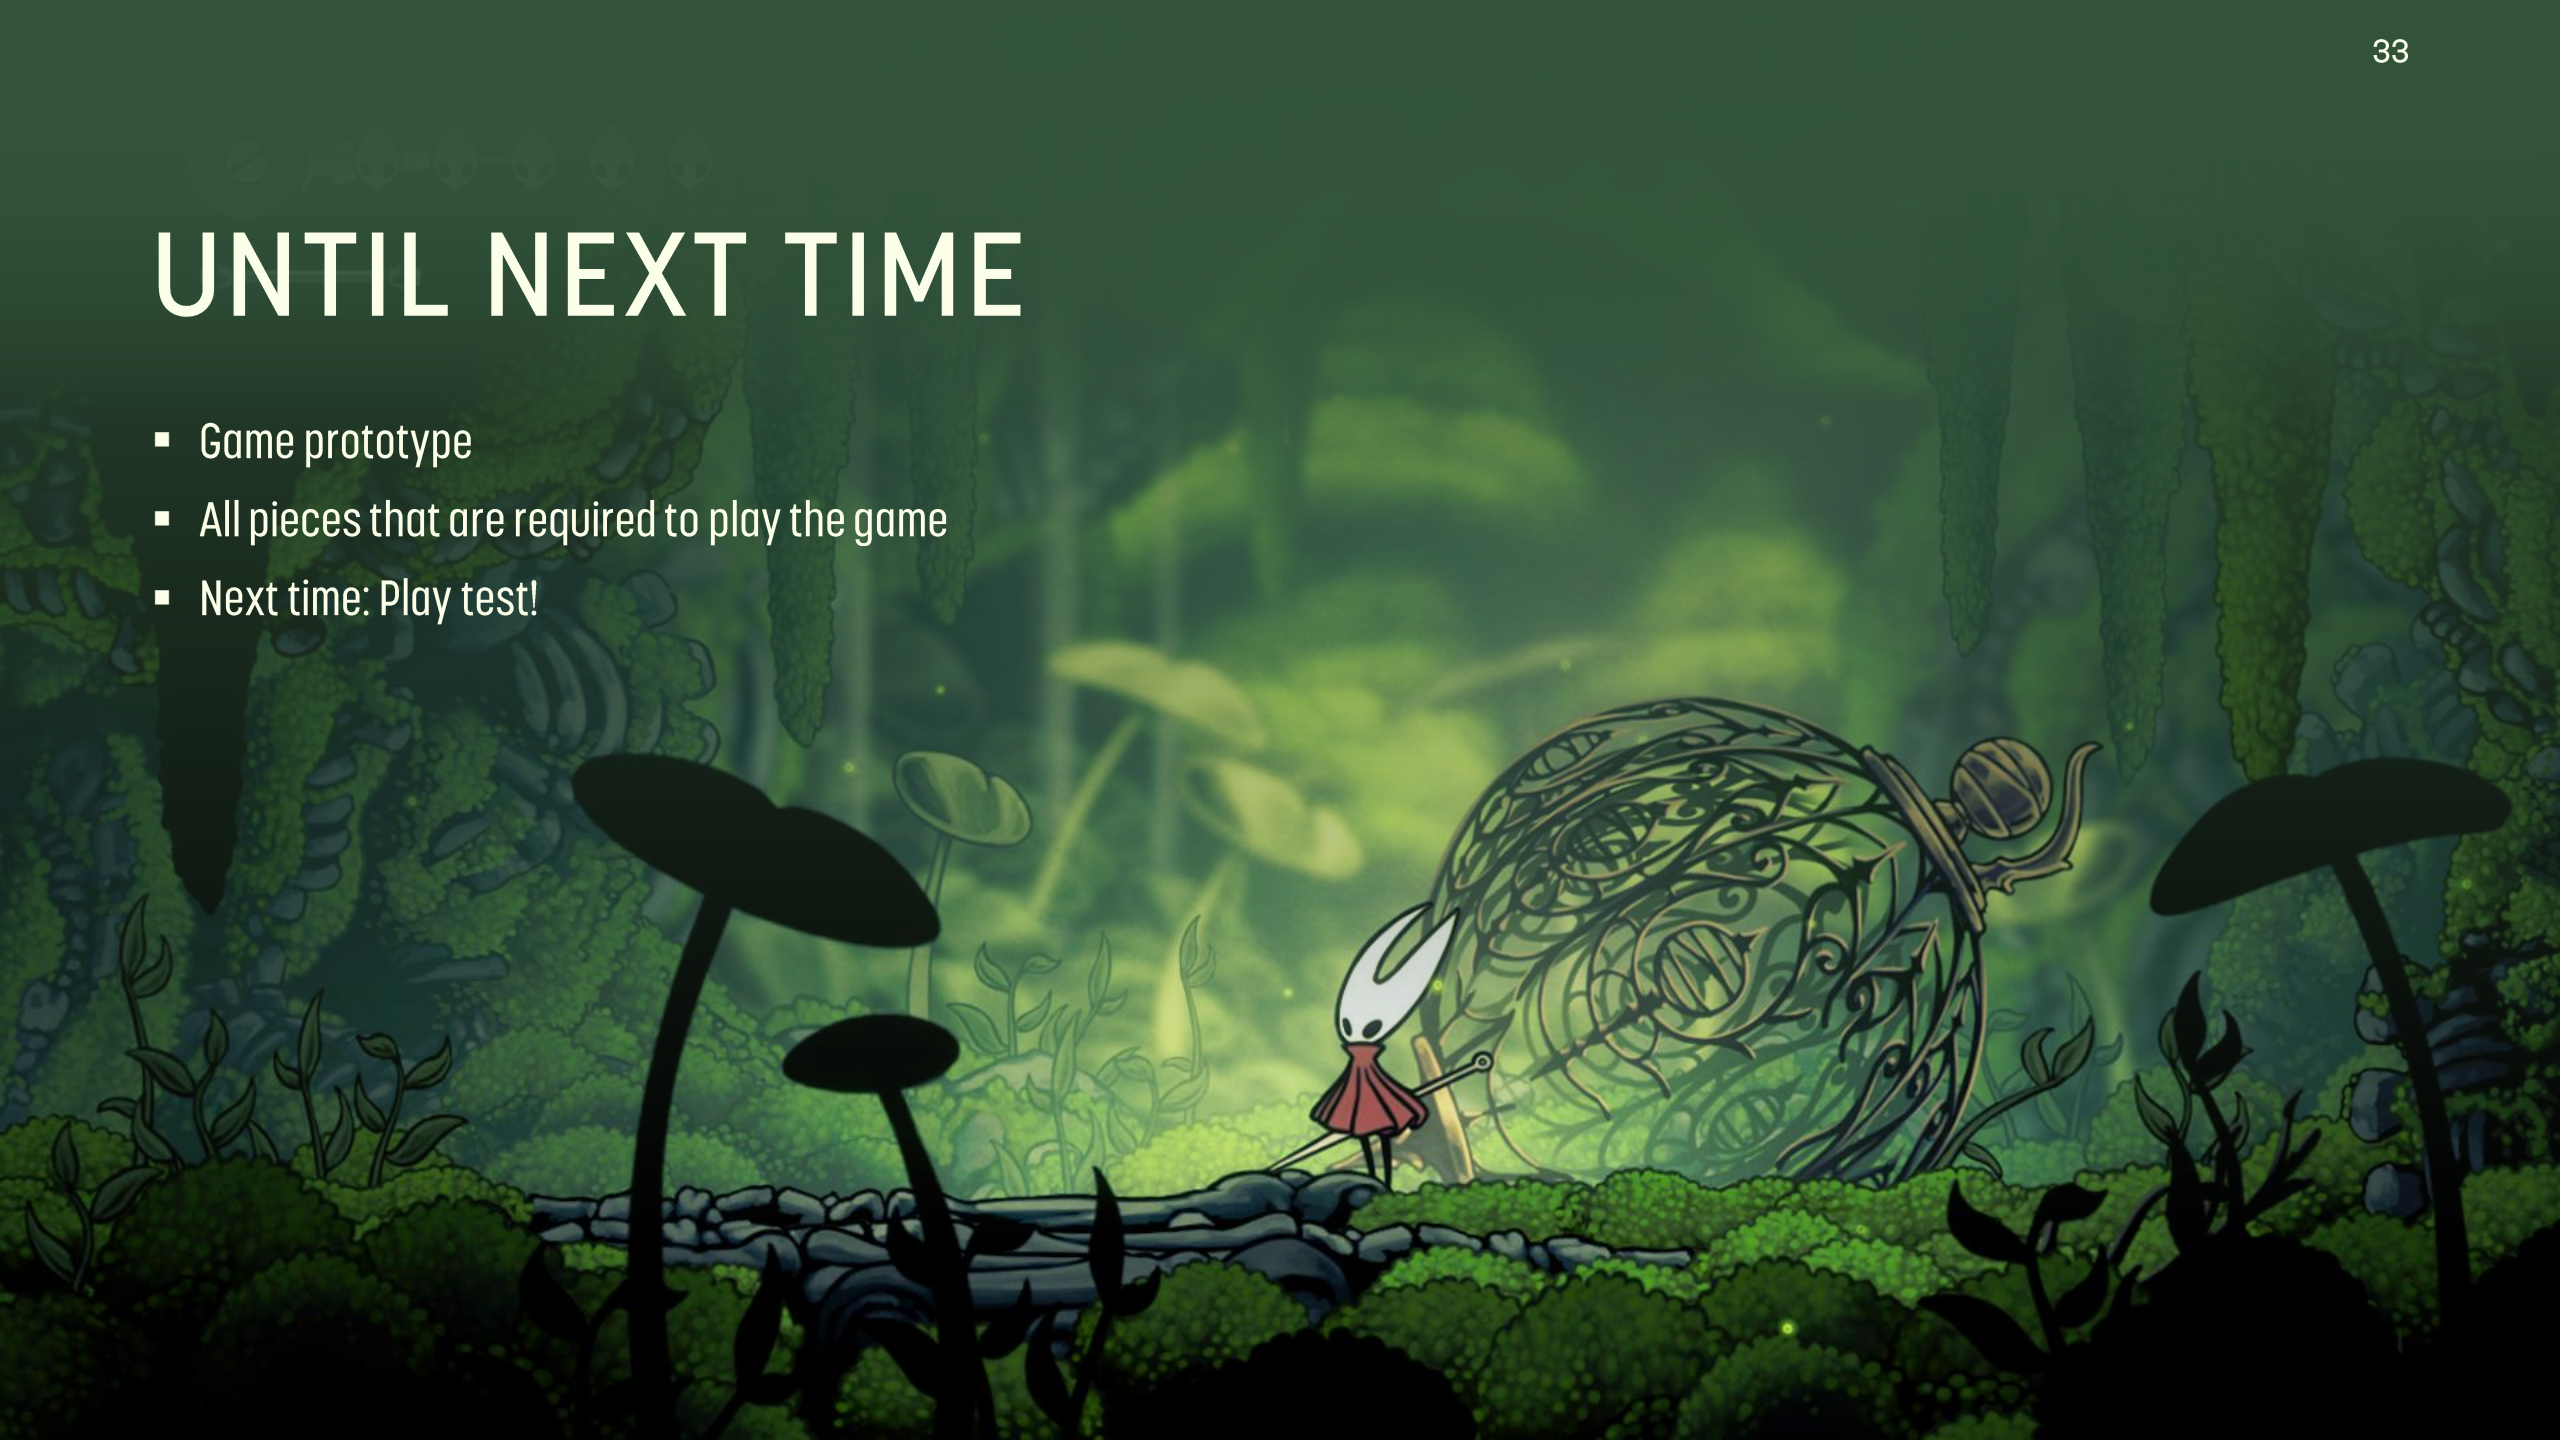

CHALLENGE 1: RUN LIKE HELL!

- 4. Play tests
- After each test: only make one modification at a time
- Stay in control of your game design

UNTIL NEXT TIME

- Game prototype
- All pieces that are required to play the game
- Next time: Play test!

THANK YOU FOR YOUR ATTENTION!
